CONDUITS
Are you looking for hidden campus gems to enhance your time at UCLA? Look no further! Every week Conduits will feature a campus resource, selected by our very own CAC Peer Counselors and Student Staff, that will help you maximize your academic and social experience at UCLA.

BruiNecessities
As part of the USAC Student Wellness Commission, BruiNecessities looks to support UCLA students by raising awareness to the lack of basic resources available on campus and to fill these gaps by working with different entities on campus to bring programs and services to students. BruiNecessities was initiated from two unaddressed needs on campus: the service of free menstrual hygiene products and oral screenings - and has expanded to address all areas of hygiene and food security. To find out more, visit their IG @bruinecessities.
