CONDUITS
Are you looking for hidden campus gems to enhance your time at UCLA? Look no further! Every week Conduits will feature a campus resource, selected by our very own CAC Peer Counselors and Student Staff, that will help you maximize your academic and social experience at UCLA.

Recently opened in 2021, the BruinHub is a new space designed to meet the needs of students who commute long distances to campus and those facing housing insecurity. Located at the John Wooden Center, BruinHub is a 24/7 temporary space for students to sleep, study, wait out traffic, and build community. To access BruinHub and reserve an overnight sleeping pod, students must register for a BruinHub pass by answering a questionnaire through the [UCLA recreation website](#). Registration is free and of no cost.
