What's Happening Week 2?

**LGBTQ+ Student Advocacy Committee**
The UCLA LGBTQ+ Student Advocacy Committee is recruiting new members! This committee is responsible for many of the large-scale changes at UCLA to promote inclusivity and LGBTQ+ visibility, including more all-gender restrooms, removing legal name from Bruincards, and compiled COVID-19 related resources for QTBIPOC and undocumented communities. If this type of work interests you, there are plenty of spots available to all undergraduate and graduate students, including stipend positions. For more information visit our [website](https://example.com) and apply by Friday, October 7th, 11:59 PDT. Interviews will be held via zoom during Week 3 from 10/10-10/13. For any questions, contact Sean Sugai (seansugai23@g.ucla.edu)

Students can submit an online request via this [updated link to the Emergency Meal Request Form](https://example.com) on our [ECRT Website](https://example.com). Students will continue to be screened for eligibility via the form. **CAC Peer Counselor In-Person Stations**
If you're ever walking around campus and would like to receive some assistance with academic policies, deadlines, or campus resource referrals, stop by one of the CAC Peer Counselor (PC) In-Person stations! PCs are undergraduate students trained to help with various questions including petitions, navigating GE and degree requirements, and more. For Fall quarter, we are located near the Registrar's Office, Court of Sciences, Royce Quad, and the Transfer Student Center on Mondays - Fridays during the hours of 9am and 3pm. An International Education Office (IEO) Advisor will also be joining us for two hours a week.
