

Withdrawal Supplement

PURPOSE:

Undergraduate students at UCLA may use this form when withdrawing from a regular term after Friday of week 9 (Fall, Winter, or Spring), or any time thereafter. Alternatively, you may submit email verification from instructors (instructors must specify the course department and number, and explicitly state that “the student has not completed all of the coursework or attempted or taken the final exam or submitted the final paper/project/assignment”). Please note that if you have completed a course in any way, you are not eligible to withdraw.

INSTRUCTIONS:

1. Fill out all the requested information in the *Student Information* section of this form.
2. In the *Instructor Section*, list all courses you were enrolled in during the term from which you wish to withdraw.
3. Ask the instructor of each course to answer the question and sign in the *Instructor Section*.
4. If you are on financial aid, on an international student visa, or in any other program that may require full-time enrollment, please check with the respective office regarding possible implications of withdrawing from the term.
5. Submit this completed form with your Withdrawal Notice, [available on the Registrar's website](#).

Please note that withdrawal requests take a minimum of 15-20 business days to process. To check the status of your request, please reach out to your College or School advising unit. Approved withdrawal requests will generate a permanent transcript notation.
