CONDUITS

Are you looking for hidden campus gems to enhance your time at UCLA? Look no further! Every week Conduits will feature a campus resource, selected by our very own CAC Peer Counselors, that will help you maximize your academic and social experience at UCLA.

Undergraduate Research Center - Sciences

Are you interested in research within the sciences and have no clue where to start? UCLA's Undergraduate Research Center - Sciences has several resources to help you get started - ranging from the Undergraduate Research Portal to find updated opportunities, various types of supportive workshops, to a comprehensive list of research programs and scholarships. There is also more information on how to earn academic credit through the Student Research Program (SRP) if you're already involved in a research lab with a faculty mentor, or planning to participate in one! For more information, please check out the [website](#)!
